To whom it may concern

Dear Sir or Madam,

Hereby I would like to recommend you my former student, **M.**

M. finished in 2010 her **Master Degree in Applied Communication (Journalism)** at the *Institut des Hautes Etudes des Communications Sociales* in Brussels; this school provides a general training of intensive language courses and is pragmatically media-oriented (multimedia, photography, TV, radio...).

In 2009 he also assisted the training Network on Humanitarian Action (NOHA) developed by the European Commission (ECHO). M. assisted my lecture Humanitarian Assistance and Development Cooperation in 2009.

Highly motivated, he was the leading organiser of a 10 days support mission to Palestine for 32 students in 2008 in which I also participated. Experienced in organising intercultural activities; he is very efficient in teamwork and tends to influence his colleagues positively.

Always looking for participative and dynamic leading methods he invests time and energy in his projects which greatly contributes to his participants' motivation.

I can assure you that M. would certainly meet all your expectations. Therefore I strongly support his application.

Do not hesitate to contact me for any further information.

Yours sincerely,

Michel Le professeur
